## CPS Series – Power Washer

### Cold Water: Gas Engine

The **CPS Series** is a rugged, gas powered cold water wash skid. The low rpm belt drive pump runs cooler to ensure long life and is ideal for use when drawing water from a bulk tank. The heavy duty powder coated, Pro-Tect-It frame prevents damage to components; allowing you to take it, worry free, through the roughest terrain. The industrial grade gasoline engine allows you the flexibility of providing cleaning power – whether it is out in the field cleaning equipment or cleaning use at any facility. Flexible mounting options, you choose your level of portability: mount on a trailer or tank skid, on wheels, or stationary.

<b>PRESSURE</b>	3500psi
<b>FLOW CAPACITY</b>	4.5gpm
<b>POWER / ENGINE</b>	479cc Vanguard V-twin Electric start, low oil shutdown, pressure lubrication, oil filter
<b>ENGINE FUEL / CAPACITY</b>	Unleaded gasoline / 8 gal
<b>POWER DRIVE</b>	V-Belt Drive with EZ Align™ pump rail, stainless belt guard
<b>CONTROL PANEL</b>	Panel mounted, high-pressure water outlet and nozzle grommets
<b>PUMP</b>	General Pump
<b>PRESSURE CONTROL</b>	Pressure regulating unloader
<b>PRESSURE HOSE</b>	3/8" x 50' / 4000 psi rated
<b>GUN / WAND</b>	48" molded insulator wand with quick coupler
<b>NOZZLE</b>	#4.5 ( 15°, 25°, 40° )
<b>SOAP INJECTION</b>	Optional downstream soap injector
<b>FRAME CONSTRUCTION</b>	Rugged, powder coated Pro-Tect-It™ frame (stainless steel frame option available)
<b>NET WEIGHT/DIMENSIONS</b>	199#, 35½"l x 26"w x 28"h
<b>WHEELS</b>	Optional wheel kit available

\*Specifications subject to change without notification and may vary due to ambient conditions – Battery not included

ETL Listed  
 Certified to UL 1776  
 Certified to  
 CAN/CSA 213.14

### Featuring:

- ✓ **Engine:** Electric start, twin cylinder, smooth engine with pressure lubrication with low oil shutdown
- ✓ **Long Life Design:** Built with the same chassis design & components as our proven hot water skids
- ✓ **EZ Align™:** Hydro Tek's belt tensioning system makes belt adjustments easy, with a single bolt, and has an integrated self aligning mono rail pump mount

### Options...

Downstream soap injection kit (AC350), Hour meter (AM512) Stainless frame upgrade (HS221), Hose reel-pivoting (AR425), Wheel kit (AHS13), Mobile wash trailer (T185CP), Tank skid (T185TW, T270TW), Hot Link™ hot water box (CPHL)
