

**COLOR  
CODE  
YOUR  
COMPANY**

**Benefits of color coding:**

- ▶ Set your business apart from your competitors
- ▶ Helps Minimize cross-contamination
- ▶ Saves time and improves productivity; people associate colors with things far faster than reading text which can greatly improve work efficiency
- ▶ Allows to visually and quickly identify items
- ▶ Color-coding helps keep the work area sanitary and organized
- ▶ One color for an employee or work area
- ▶ Hold employees accountable in the proper use of tools
