+Shipping

12V PWS Versa Jet Pump is rated for 70 PSI and 5 GPM with Santoprene diaphragm and Viton valves. Made with polypropylene head and check valve for longer life. 1/2" QC ports, includes 2 straight barbs. Built for continuous duty.

Apple Wash 5 Gallons

PART # AW-5

Apple Wash is a surfactant, cover scent and colored marker for the soft washing process. Apple Wash is designed to be used with the Pro-Portioner. When Mixed with sodium hypochlorite in the cleaning process the color will disappear in the 1-3 minute depending on the strength of the SH and how much Apple Wash is used. This serves as both a marker for the application process as well as a built-in timer for dwell time to know when it is ok to rinse the surface.
