The Whisper Wash Classic is the leading flat surface cleaner of the industrial pressure washing industry. Displaying Whisper Wash's original dedication to quality components integrated with superior engineering design to provide an agronomical, easy to use, flat surface cleaner only a quick disconnect away from your industrial pressure washer. Ergonomically designed, the classic eliminates operator fatigue and increases safety. With the signature swivel and spray bar the Classic ensures efficient cleaning without zebra striping.

The Classic: Portable breakaway handle, ABS Housing, 2" nylon brush, 212°F, 4-10 GPM, Dimensions: 19"x77"x12", Weight 28lbs.

Part #	Description	Size	Price	Sale Price
4935	Whisper Wash Classic	19" / 2 Nozzle	\$625.00	\$560.00
4936	Whisper Wash Classic	19" / 4 Nozzle	\$675.00	\$585.00

The Ground Force features the Flip – N – Fold handle design which allows the unit to collapse for easy transport and storage. The frame is powder coated and constructed of stainless steel and aluminum. The powerful force of this unit is contained under the 24" cover. A heavy duty nylon brush surrounds the cover to eliminate the hassle of overspray. Additionally, the signature Whisper Wash balanced spray bar rotates underneath, providing the pressure cleaning force your operation requires.

Ground Force: Flip and fold handle, rebuildable swivel, 212°F, 4-10 GPM, dimensions: 24"x60"x9", weight 29lbs.

Part #	Description	Size	Price	Sale Price
4930	Whisper Wash Ground Force	24" / 2 Nozzle	\$750.00	\$645.00
4930-4	Whisper Wash Ground Force	24" / 4 Nozzle	\$785.00	\$670.00

The Big Guy incorporates the signature and machined spray bar of all Whisper Wash systems with a wide surface coverage area to provide a comfortable and highly efficient flat surface cleaner. With a 28" diameter and aircraft grade aluminum housing, it is built tough for the big job. The Big Guy's pivoting wheel design and heavy-duty nylon brush provide for easy navigation through large areas while still containing the pressurized spray.

The Big Guy: Powder coated aluminum housing, oversized, self-lubricating twin thrust bearings, 10" pneumatic tires, 4" caster, crafted with stainless steel, 212°F, 4-10 GPM, Dimensions 28"x44"x12", weight 48lbs.

Part #	Description	Size	Price	Sale Price
4945	Whisper Wash Big Guy	28" / 2 Nozzle	\$765.00	\$665.00
4946	Whisper Wash Big Guy	28" / 4 Nozzle	\$785.00	\$690.00

The light weight floating hover cover of Aqua Pro is easy to maneuver within tight areas, while the industrial nylon grade brush confines the high pressure cleaning spray to the surface and not the operator or surrounding areas. With self-lubricating twin thrust bearings providing high powered spray bar rotation, the Aqua Pro is just right for high power pressure wash cleaning. The Aqua Pro provides a full size high pressure cleaning unit with the benefits of a flip-n-fold handle. With a light-weight cover design and compact storage size, the Aqua Pro provides all the advantages of Whisper Wash pressure cleaning. Constructed with a high impact ABS plastic housing and powder coated stainless steel handle, the Aqua Pro is built tough for the tough jobs.

Aqua Pro: 24" Diameter Cover, Trigger Gun Control, Balanced and Machined Spray Bar, heavy Duty Nylon Brush, 212°F, 4-10 GPM, Powder Coated Handle, Weight 21lbs.

Part #	Description	Size	Price	Sale Price
4949	Whisper Wash Aqua Pro	24" / 2 Nozzle	\$750.00	\$645.00
4949-4	Whisper Wash Aqua Pro	24" / 4 Nozzle	\$785.00	\$670.00

The Lil Big Guy incorporated the signature balanced and machined spray bar of all Whisper Wash systems with a wide surface coverage area to provide a comfortable and highly efficient flat surface cleaner. With a 24" diameter and aircraft grade aluminum housing, it is built tough for the big job. The Lil Big Guy's pivoting wheel design and heavy-duty nylon brush provide for easy navigation through large areas while still containing the pressurized spray.

The Lil Big Guy: Powder coated aluminum housing, Over-sized, self-lubricating twin thrust bearings, 10" pneumatic tires, 4" caster, crafted with stainless steel and aircraft aluminum, 212°F, 4-10 GPM, Dimensions 24"x44"x12".
